## October 2024 President's Message

Good Day NEC Members:

The trees are beginning to indicate a fall season, even if the weather has been slow to transition! Hoping this season remains busy for all as projects are being wrapped up before the winter fluff or new projects are being squeezed in as the daylight dissipates sooner.

Our chapter has moved our fall seminar, hosted at NWTC and to be led by chapter member Les Van Horn, to the Spring. We will be looking to lock in a date in the coming month(s) but tentatively are looking at a Friday in May. More to come on the seminar and specifics as we go into the winter, but rest assured it will be a really great opportunity to learn about historical surveying field techniques and computations firsthand!

If your calendar is not marked already, the upcoming WSLs Annual Institute will be taking place January 21<sup>st</sup> - 24<sup>th</sup> at the Kalahari in the Wisconsin Dells. Remember to get your room and institute fees in early to save a couple bucks. Keep an eye open as information historically should be coming in November.

For those unable to attend the Summer Meeting in July, we had a great turnout for the golf and trap shoot networking events. These took place at Wander Springs Golf Course and Triple J Wing and Clay with the meeting held at Triple J afterwards. A special thank you to Garrick Loberger and Aaron Ballast for leading the organization of the events and to each person who brought or donated items for our prize table.

Finally, please note that our October 10<sup>th</sup> general meeting raffle prize is a guided pheasant hunt donated by Aaron Ballast. This will be a great opportunity to support our PAC and if you're lucky, win the hunt! Tickets are one for \$5 and five for \$20 so bring a few extra greenbacks or contact Aaron directly before Thursday meeting.

Hope to see you on Thursday and don't be afraid to bring someone new to the meeting!

Sincerely,

James Cappeart, PLS

President – Northeast Chapter of WSLs

## 2024 SUMMER BOARD OF DIRECTORS MEETING

### August 21, 2024 – Gib's on the Lake in Kewaunee, WI

There were 7 members present when President Cappeart called the meeting to order at 6:27 pm

A motion was **made, seconded, and approved** to accept the Board meeting minutes from May 22, 2023

Treasurer's Report was accepted as presented in latest newsletter as there were no changes

The following reports were given: (\*email)

#### **WSLS REPORT (Jake Jensen)**

- Last Meeting was on July 27, 2024 in Spring Green
- Discussed whether Apricot is the right platform for online presence of WSLs
- Plan to renew discussion on including Chapter membership with paid WSLs membership
- Discussed a packet/thumb drive creation that would be handed to new Directors and Board Members to help with getting acquainted the organization
- Mark Kamin sponsored the Summer Scholarship
- NE Chapter will be the host of the 2026 Summer Meeting – planning will start soon

#### **YOUNG SURVEYORS (Connor Christopherson)\***

- Connor did not have a report to give BUT he and his wife did welcome a new son – CONGRATS!

#### **AUDITING (Terry Van Hout)\***

- No report at this time

#### **CST (Howard Herrild)**

- Nothing happening at this time

#### **ETHICS AND PRACTICE (Andy Cleveland)\***

- No report at this time

#### **LAND RECORDS (Tom Leslie)**

- Discussed the newly created Judicial Officer Privacy law. PRA and WRPLA are at the forefront of getting the news out to those most affected. The State still has quite a bit of revisions and/or clarifications to create before this comes into effect in April 2025 – going to change the way things are researched – hopefully the State gets it right
- WLISA Fall Regional Meeting is set for Oct. 16-18 in La Crosse
- Birth & Marriage certificates are now available at ANY Register of Deeds in the State, even if not done in that County (as previously required)

- SCO plans on getting the new Datum complete and out to everyone by early 2026 – horizontal is not changing significantly, but vertical could change by a foot or more – be aware that this is coming!
- WRPLA Annual Meeting is September 17-20 in Pewaukee

#### **LEGISLATIVE (John Sleik)\***

- John has requested to back off being the Chair of this committee – Howard will fill in for rest of year

#### **MEMBERSHIP (Jake Jensen)**

- Membership count: 136
- WSLs Board/Officer nominations are coming up soon – due in early November
- Long discussion on the importance of and the benefits of being a Chapter member, including:
  - Networking with fellow surveyors
  - CEU opportunities (Meetings & seminar)
  - Keep up on the latest surveying news
  - Gives you a voice in the profession
  - Regular Legislative updates
  - Dues help from WSLs w/ lobbying @ the Federal level (ex: LightSquared)
  - Food is pretty good 😊
  - If you have to talk to a local surveyor, you have that connection from attending meetings
  - Students attend meetings (future employees?)
  - Again, Networking

#### **NOMINATING (Ryan Beltrand)\***

- This will be starting in a few weeks

#### **PROGRAM (Andy Cleveland)\***

- No updates as of this meeting
- Howard and James spoke with Les & Lisa Van Horn on the Historical Equipment seminar. Decision was made to move this to May so there is more time to prepare and get the word out

#### **PUBLIC RELATIONS COMMITTEE (Ryan Beltrand)\***

- Nothing to report at this time

#### **SCHOLARSHIP (Mark Kamin)**

- After some discussion, the Chapter will continue with offering 2 annual scholarships for \$750 each
- Chapter scholarship for 2025 will be names in memory of Joe Lett Jr.

**SEMINAR** (Tom Leslie)

- A date will be decided for the recently rescheduled Historical Equipment seminar ( April/May)

**STUDENT REPESENTATIVE** (Chad Roethlisberger)\*

- Chad has graduated so Mark will find someone to replace him from the new crop of students

**TRIG\*STAR** (Ryan Duckart)\*

- Currently, I am working on an article for the Wisconsin Professional Surveyor publication to see if it will increase participation across the state. The article will be in the September issue of the publication
- I will be reaching out to schools in mid-September to see if they would like to do an outdoor presentation in fall instead of spring. In talking with teachers this past spring, some said fall works out better with their schedule. I also plan to reach out to some potential sponsors to see if they can check with the schools that they have mentioned in the past might be interested
- Southern Door HS is joining this year and Gibraltar has requested a presentation (Thanks Brian!)

**OLD BUSINESS**

- Discussion on having our Lifetime members interviewed by students and posting that on the website – it would give the student a great learning experience, and we could get that out to the membership as most do not know who these older surveyors are, other than a name. Aaron will draft up a “script” for the interviewers. The Chapter would provide whatever is needed (lunch, etc). This also gets the students more involved in the Chapter which will hopefully keep them as a member when they graduate. Tom will compile a list of those to interview

**NEW BUSINESS**

- Website has been updated to remove any references to those who have recently passed
- AD-HOC Committee is now created to plan the upcoming Chapter hosted WSLs Summer Meeting in 2026
- WSLs award nominations from the Chapter were discussed – all three award nominations will be sent in by the due date

Being no further business, a ***motion was made, seconded, and approved*** to adjourn at 8:18 pm

Respectfully submitted,

Thomas Leslie  
Secretary

Locally, the winner from Denmark High School, Mason Hurst, ended up finishing 3<sup>rd</sup> in the state! A total of 5 schools participated with over 150 students attending outdoor presentations. Special thanks to Connor Ebben and Jason Bolz for assisting

with the presentations! The high schools within the Northeast Chapter that participated this year were Bay Port, Two Rivers, Denmark, Oconto, and Luxemburg-Casco with 75 students taking the Trig-Star exam. Two Rivers High School had 37 students take the exam! The school also chipped in additional gift cards to the top student from each grade that were not in the top 3 already receiving prize money. They also had me come in for a school assembly to present the awards to the top 3 winners in front of the whole school! Brian Frisque has said that Southern Door High School is on board for an outdoor presentation sometime this fall which would give us 6 schools for next year
